100% Recyclable

**Available Recycled Plastic Lumber Colours**  
Black, Grey, Redwood, Sand, Walnut

**Designer Notes**  
This bench has all the attributes of the Mountain Classic Bench with additional roominess. The wide-body concept takes the accessibility and comfort to the next level. The angled armrests mimic a natural seating position allowing users a greater ease and comfort in sitting or getting up from the bench, which makes it great for seniors. The smooth contours of the seat and fluid angled back make this bench a delight to unwind and relax on. We manufacture our own castings used on the leg ends from 100% recycled aluminum car and truck rims.

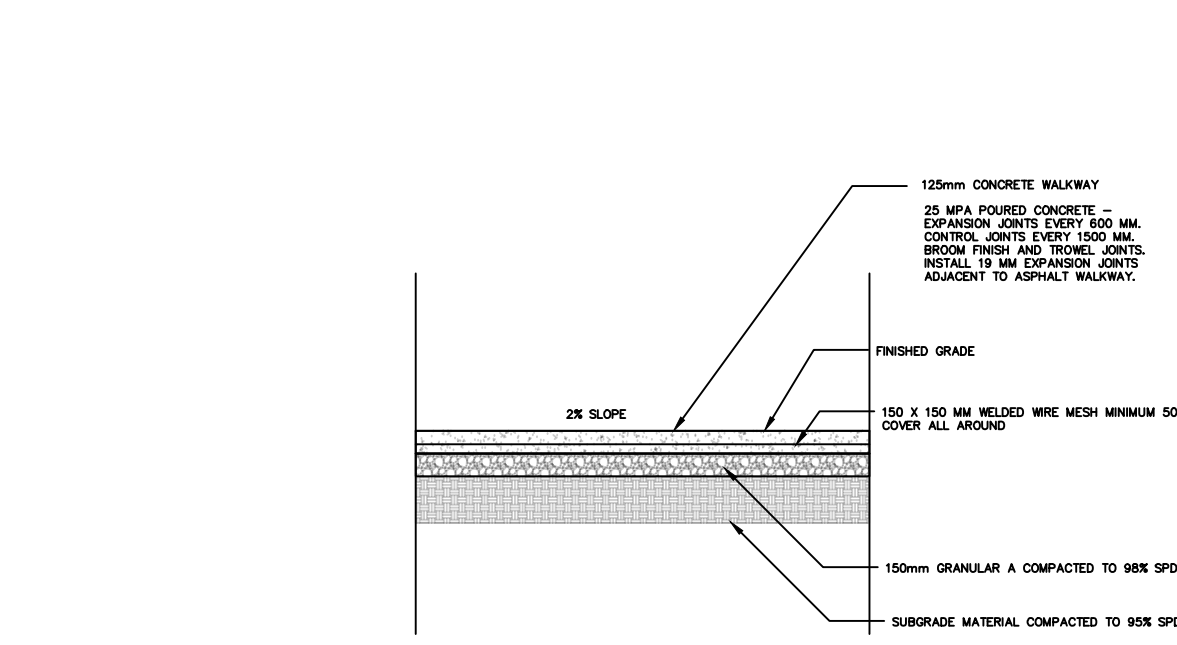

100% Canadian Made  
Wishbone Ltd. provides an extended 10 year limited warranty from the date of invoice.

**Product Specifications**  
Made From 100 % Recycled Plastics  
This product will not rot, splinter, or warp reducing maintenance costs over the life of the product.  
20 Year LIMITED WARRANTY

**Customized Solutions**

**Product Dimensions**  
Height 10 inches / 254 mm  
Length 18 3/4 inches / 476 mm  
Width 3 3/4 inches / 95 mm  
Weight 15 1/2 lbs / 7 kg

**Recycled Content**  
100% Recycled Content By Weight  
100% Recyclable

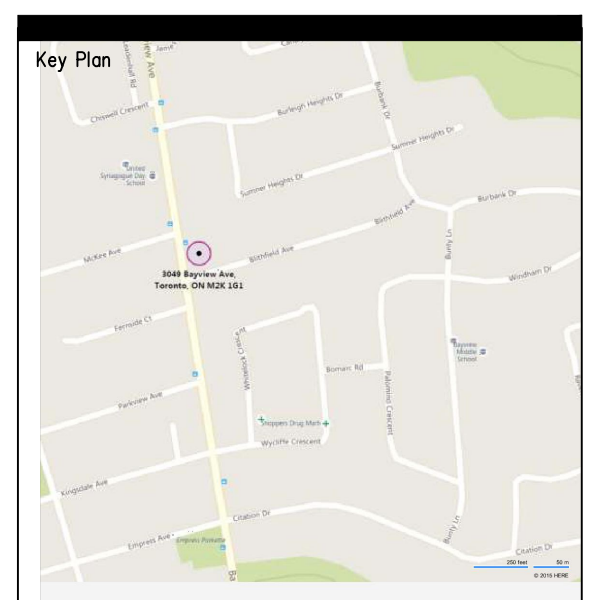

**Designer Notes**  
When concrete is not an option, the base in-ground anchor, made of durable and heavy-duty plastic will provide a secure and solid base for all of our site furnishings. The anchor can be used in a variety of applications. Grassy areas can stay pristine with the anchor placed below the ground's surface. It can also be placed below or be imbedded into asphalt and provide secure mounting between pavers for a clean and neat look. The top board is custom cut to match the feet of the product to ensure a perfect fit and can be color matched to the lumber of the site furnishing. Available in three style options, the anchor will not rot, splinter and so will stand the test of time.

There are no colour options for the Base. For lengths over 19\"/>
